Contributions...

NAME-A-SEAT CONTRIBUTIONS maintain the structural, technical, and aesthetic quality of the Carson Center. The Carson Center is a 501(c)(3) not-for-profit, regional performing arts center that opened in 2004 in Paducah, Kentucky. Ticket sales and other earned income cover 80 percent of the costs of presenting acclaimed performing arts, providing an educational series and programs for preschool through high school students, keeping ticket prices as affordable as possible, and maintaining a spectacular 97,750-sq.-ft. facility. The balance comes from people like you, individuals, businesses, foundations, and public partners. Only with your help does the region sustain one of the most beautiful and beneficial performing arts centers in the nation.

PLEASE NOTE:

- The brass plate remains in place for the life of the seat, making this essentially a permanent naming opportunity.
- Inscriptions will be published in the Carson Center Annual Report and in playbills for one year.
- Naming a seat does not reserve the use of that seat for ticketed performances.
