Celebrate the 15th Anniversary of The Carson Center with 15 Enticing Membership Benefits

Started when The Carson Center opened in 2004, Membership is an annual giving program with benefits. Your annual contribution to renew or activate your Membership is tax-deductible because this is a 501(c)(3) nonprofit performing arts center. Approximately 35% of our annual funding comes from Memberships and other areas of support. The goal for the 2018-2019 season is \$150,000, which helps us provide excellent arts-education programs for preschool through high school students.

Members now have a choice of 9 giving levels. The ability to buy tickets before they go on sale to the public is a benefit for all Members. Benefits increase with each giving level. Your opportunities for “behind-the-scenes” experiences, concierge services, and recognition increase with each level of support.

Membership gifts now count toward cumulative giving – which can lead to Donor ticketing standing, recognition on our Encore Wall of Donors, and naming opportunities.

For more information on the 15 benefits, please call Debbie Wattier, Director of Development, at (270) 443-9932.
