

## Support What You Love!

Your Membership gift supports what you love about your Carson Center, such as: live concerts and shows by major performing artists on national tours, Broadway productions en route to big cities or straight from New York, professional theatre companies, year-round arts-education performances and experiences for preschool through high school students as well as families, and creative aging experiences for adults "60 & Better."

## "Behind-the-Scenes" Benefits

- Buy your tickets before they go on sale to the public.
- Increase your benefits with each giving level.
- Build life-long involvement through cumulative giving (including Membership gifts) — leading to recognition on our Encore Wall of Donors.
